Dear Sir:

Following your presentation at the October 28th, 1996, Council requested that the Finance Department review the request for financial support for the Canadians for Constitutional Money.

At the November 12th, 1996 Regular Meeting, Council adopted the following resolutions:

"Duly moved and seconded that City Council accepts and adopts the recommendation of the Treasurer's report dated November 4th, 1996 as follows:

'As the Canadians for Constitutional Money Organization represents a much larger jurisdiction than the City of Vernon, and as the City has not set aside any funds for this purpose, that the request for funding be denied.'

CARRIED."

"Duly moved and seconded that the Council of The Corporation of the City of Vernon in Regular Meeting request the Executives of U.B.C.M., O.M.M.A. and the Federation of Municipalities to include the Canadians for Constitutional Money proposal on their Agendas for the 1997 conventions.

CARRIED."

Should you have any questions regarding the above, please contact Mr. Bernie Fehrman, City Treasurer.

Yours truly,

M. J. Bailey,  
City Clerk.
